MULTIPLE INDICATOR CLUSTER SURVEY (MICS) PUNJAB, 2017-18 FOR DATA DRIVEN DECISION MAKING (DDDM)

MICS is a global household survey used for programming, planning & policy making for betterment of children and women and the society as a whole. MICS, 2017-18 gives statistically sound and internationally comparable estimates of various socio-economic indicators, required for monitoring goals & targets of the SDGs and other global commitments. The data/information, it has, will serve as a guideline for policy/decision makers to develop policies for betterment of the people of Punjab.

To promote the effective use of relevant and diagnostic data, Bureau of Statistics, Punjab had organized the 8 divisional workshops for identifying gaps and grey areas in social sector and facilitate planners and policy makers for more effective and efficient resource allocations & Data Driven Decision Making. In the workshop, technical personals and specialist were engaged to provide the basis for comparison of the progress in relation to various key socio-economic indicators with previous rounds of MICS.

ISLAMABAD CHILD LABOUR SURVEY (ICT CLS)

The formal approval by the Chairman Planning & Development (P&D) Board was given to Bureau of Statistics, Punjab to execute the ICT CLS survey. The survey tools like questionnaire and CAPI are developed. Desk testing of CAPI application has been carried out in the Headquarter BOS, Punjab. The survey is still in the process of further planning. A refresher training regarding questionnaire for the pre-testing team has been arranged on 1st December. Field testing was performed by the team on CAPI and PAPI in 2 clusters of Islamabad on 3rd-4th December 2021. A comprehensive feedback session on the observations by the team was conducted under the chairmanship of worthy Director General BOS Punjab, in the conference room of BOS Punjab on 6th December, 2021.

MICS 2017-18 SECONDARY & FURTHER ANALYSIS

The secondary analysis of the sector Water and Sanitation Hygiene (WASH) has already done and ready for use for policy/decision makers in Punjab. To extend this process, a meeting was conducted on June 28th, 2021 under the chairmanship of Director General, Bureau Statistics, Punjab where he suggested three thematic program sectors, for secondary and further analysis, which are Health (reproductive or immunization), Nutrition and School Education (Basic education). For the purpose of secondary and further analysis of MICS-2018 Punjab, a consultant was hired on specific TORs described by Social Policy & PMER Specialist, UNICEF.

SURVEYS

POSSIBLE SERIOUS BACTERIAL INFECTION (PSBI) SURVEY

UNICEF requested Bureau of Statistics (BoS), Punjab to conduct PSBI survey and to technically lead the whole activity within the timeline. BoS previously has conducted a similar study on PSBI assessment 2018 and in this continuation, UNICEF again requested BoS to technically lead the documentation study and analysis the gaps found Between baseline studies and current studies. BoS team has developed data collection tools. After receiving the data collected from the field through questionnaires, the data was entered in the excel database. Double data entry of the questionnaires was in order to ensure the accuracy of the data entered. Inconsistencies were removed from the data and the cleaned data had been further used for analysis purpose. Analysis consisted of the tables, scoring of the key features. PSBI index was calculated through these scoring parameters. To find the gaps between the baseline and current studies was one of the primary objective, in this regard; key features from the current data were compared with the baseline data. The final report is in the process and will be published by the end of February 2022.

PUNJAB HOME BASED AND DOMESTIC WORKERS SURVEY

The PC-II for the scheme titled “Punjab Home Based and Domestic Workers Survey” was approved by the PDWP on 25th November, 2021. This survey is being conducted upon request of the Labour & Human Resource Department, Punjab with technical support of the ILO. The survey would support the policy makers with following outcomes of the project:

- ◇ Data of domestic & home based workers available for government and other agencies to formulate policies & design projects to improve socioeconomic conditions of these workers.
- ◇ Quantitative and qualitative analysis report published covering, among other aspects, the number of domestic & home based workers and households that employ them, their socio-demographic profile, patterns and conditions of employment, contractual arrangements and recruitment patterns to assist the government to improve the protection of domestic & home based workers' rights and their working and living conditions.
- ◇ A broader framework developed for improving working conditions of Home-Based and Domestic workers.
- ◇ Implementation framework developed consisting of financial model for sustainable provision of social protection to these categories of workers and adequate legislative amendments proposed after legal gap analysis.

VISITS & MEETINGS

LAUNCHING CEREMONY OF PUNJAB GENDER PARITY REPORT 2019 & 2020

Mr. Sajid Rasul (Director General, BoS Punjab) attended the launching ceremony of “Punjab Gender Parity Report 2019 & 2020”, organized by the Sub-National Governance Programme (SNG) and Punjab Commission on Status of Women (PCSW) on 7th December, 2021 at Avari Hotel Lahore. Chairman, Planning and Development Board Punjab, Mr. Muhammad Abdullah Khan Sumbal was chief guest of the ceremony. The purpose of workshop was to share the report with stakeholders and to dig-out data availability & gaps for assessment of situation regarding gender parity. The Chief Guest highlighted the importance of resource allocation and policy making on basis of credible information in order to get the country towards right path of sustained development.

DG, BOS gave a presentation on “Data Gaps and Availability” for sharing with the participants important aspects of data, importance of data in decision making, data gaps in gender related SDGs indicators, surveys conducted by BOS Punjab, annual publications of the BOS, PunjabInfo database and the fundamental principles of official statistics.

VISIT OF DG BOS AT GOVERNMENT COLLEGE UNIVERSITY, LAHORE

Director General, Bureau of Statistics, Punjab (Mr. Sajid Rasul) gave a presentation on “Importance of Data” at Fazal Hussain Auditorium, Government College University, Lahore on 30th September, 2021. During the

presentation, he shared functions, responsibilities and role of the Bureau of Statistics, Punjab in supporting the policy makers. He highlighted the value of statistics in evidence-based decision making that how it can help in better outcomes of policies for the government. The Vice Chancellor GC University Lahore, Prof. Dr. Asghar Zaidi, was chief guest on the occasion, whereas Faculty Member and Students of the Department of Statistics participated in the workshop.

VISITS & MEETINGS

VISIT OF SENIOR ECONOMIST & TASK TEAM LEADER, WORLD BANK AT BUREAU'S HEAD OFFICE LAHORE

Senior Economist & Task Team Leader of the World Bank, Dr. Moritz Meyer visited the Bureau of Statistics (BoS), Punjab on Wednesday, November 24, 2021, for a meeting with the Worthy Director General, BoS Punjab, Mr. Sajid Rasul, who was accompanied by the relevant Officers of the Bureau. Director General, BoS, Punjab gave the brief introduction of the organization. He also shared the organizational structure, field formation and major functions of the Bureau. Dr. Moritz Meyer shared a presentation on work program of the World Bank Poverty and Equity Global Practice in Pakistan. He showed pleasure over the active role being played by the BoS Punjab to support effective decision making.”

There was a mutual agreement that collective efforts need to be made by the stakeholders in National Statistical System (Pakistan Bureau of Statistics and the Provincial Bureaus) for improvement of system in future. Dr. Moritz Meyer assured of the support by the World Bank in capacity building and modernization of the statistical system in Pakistan.”

A REVIEW MEETING WITH DR. SALMAN SHAH ADVISOR TO CHIEF MINISTER ON ECONOMIC AFFAIRS AND PLANNING AND DEVELOPMENT

Meeting regarding Departmental Review of Bureau of Statistics (BoS), Punjab was held on 11.10.2021 under chairmanship of Dr. Salman Shah Advisor to Chief Minister on Economic Affairs and P&D. During the meeting, implementation status of previous review meeting was discussed. DG, BOS shared detailed presentation on the progress regarding each decision and informed about the future plans. He also informed that BOS has initiated a visionary project titled “Development of Online Statistical System in Punjab” in collaboration with PITB to provide mechanism for real-time data availability for the policy makers. He further shared the list of publications of the Bureau and new addition of South Punjab Development Statistics (SPDS). Dr. Salman Shah appreciated the work done by the Bureau and gave directions for further improvements and expansion in coverage of official statistics.

DAY CARE CENTER (DCC)

ESTABLISHMENT OF DAY CARE CENTER (DCC) AT BOS HEADQUARTER OFFICE, LAHORE

The Director General, Bureau of Statistics (BoS), Punjab took an initiative in April, 2019 to establish a Day Care Center (DCC) for the facilitation of female employees of this Bureau. After a lot of efforts and discussions/meetings with Women Development Department, Government of the Punjab and observing all the standards required, DCC has been established with the technical and financial support of Women Development Department, Government of the Punjab.

This DCC was inaugurated by Director General, BoS on November 19th, 2021 in the presence of Officers and Officials. In his opening remarks, DG, BoS Punjab highly appreciated the untiring efforts of the officers who were involved in the establishment of DCC. He emphasized that the basic purpose is to facilitate the working women so they may perform their professional duties with full dedication without being distracted by their children. Furthermore, DG, BoS constituted a committee regarding the management and resolving the issues of DCC.

Bureau's Day Care Center is a well-furnished childcare center with an aim to provide our Officer/Official staff with the best possible services for their kids. Child care providers can be children's first teachers, and therefore play an integral role in systems of early childhood education. In this regard, Bureau hired well-trained staff for DCC which offers hours of fun and educational activities in a child-oriented environment. The dedicated Day Care Staff and assistants strive to deliver a positive learning and playing environment, directed towards the individual levels of a child's development. The activities offered are diverse and developmentally appropriate for all children regardless of their age.

TRAININGS & WORKSHOPS

TRAININGS ATTENDED BY BUREAU'S OFFICERS

- ◆ Mr. Zahid Mehmood, Deputy Director & Mr. Isaac Shahzad, Statistical Officer attended '02' days training on "Building National Capacity in Child Labour Data Analysis – Asia Regional Child Labour (ARC) Project" from 7th to 8th July, 2021 at Hotel Ramada, Islamabad.
- ◆ Mr. Muhammad Farooq, Statistical Officer attended '04' days training on "Multidimensional Poverty Index Estimation" from 6th to 9th July, 2021 at National Institute of Banking and Finance (NIBAF), Islamabad.
- ◆ Mr. Adeel zaman, Statistical Officer & Ms. Saira Abid, Statistical Officer attended '02' days training on "Advanced/Computational/Data Analysis Skills for Research and Monitoring & Evaluation" from 28th to 29th September, 2021 at Avari Hotel, Lahore.
- ◆ Mr. Faheem Talib, Database Administrator attended '02' days training on "Results Validation Workshop for Land Cover Mapping of Pakistan and Training on Google Earth Engine (Gee) for Agriculture Mapping Applications" from 7th to 8th December, 2021 at Islamabad Hotel, Islamabad.

CAPACITY BUILDING TRAINING OF BUREAU'S OFFICERS ON CSPRO

A capacity building training titled "Development of CAPI Application for large-scale surveys" was organized in the committee room of Bureau of Statistics (BoS), Punjab for the Officers of the BoS by Punjab SDG's Support Unit. This training was imparted in two phases. The first and second phase held on 3rd-6th & 23rd-26th November, 2021 respectively. This training was designed to handle and develop the CAPI application using CSpRo 7.6. Total thirteen participants attended this training. Mr. Muhammad Ali Raza, Data Processing Consultant was the resource person, who has a rich experience in Data Processing and CAPI Development of the different national projects/surveys. Following are the main topics that were covered in this training:

- ◆ Creating Data Dictionary & Data Entry Forms
- ◆ Consistency Checks
- ◆ Running data entry application on Android
- ◆ CAPI features
- ◆ Data transfer and synchronization
- ◆ Menu systems
- ◆ Headquarters Management Programs
- ◆ Batch Edit and Export

TRAININGS & WORKSHOPS

WORKSHOP ON EQUITY PROFILE (EP)/DISTRICT PROFILE (DP)

A workshop regarding Punjab Equity Profiles (EPs) and District Profiles (DPs) was held from 17th - 20th September, 2021 by UNICEF at Marriott Hotel, Islamabad. Seven officers from BoS, Punjab attended the workshop. For UNICEF, equity means that all children have an opportunity to survive, develop, and reach their full potential without discriminating against race, religious beliefs, income, physical attributes, geographical location or another

status. The main purpose of EP is the one way to identify the most marginalized population in society to seek the attention of policymakers to that. The overriding objective of the profile approach is to direct decision makers' attention to depth of deprivation that will prompt decisions and actions.

TRAINING OF BUREAU'S OFFICERS ON GIS APPLICATION

A capacity building training session on GIS application was organized in the committee room of BoS, Punjab for the Bureau's Officers with the technical support of Punjab SDGs Unit on 13th, 17th, 20th 23rd & 24th August, 2021. Mr. Ehsan Saqib and Mr. Tanzeel ur Rehman, GIS consultants were the resource persons. They shared their valuable learnings from their experience with GIS application. Bureau's Officers found this training opportunity very fruitful for upcoming official assignments.

Contents of Training on GIS include:

- ◆ Introduction to GIS application
- ◆ Use of GIS in census & surveys
- ◆ Spatial Data Visualization
- ◆ Spatial Data Analysis
- ◆ Integration of Non-Spatial Data to Spatial Data
- ◆ Web Map Application Development/Dashboards

TRAININGS & WORKSHOPS

SENSITIZATION WORKSHOP ON 7th POPULATION AND HOUSING CENSUS 2022

Pakistan Bureau of Statistics (PBS) organized the Sensitization Workshop on “7th Population and Housing Census 2022 (the First Ever Digital Census of Pakistan)” at University of the Punjab, Lahore on 28th December, 2021. Prof. Dr. Muhammad Saleem Mazhar, Pro vice chancellor, University of the Punjab was the chief guest of the event. The event covered Presentations on 7th Population and Housing Census 2022 and discussion session with PBS and stakeholders. Mr. Sajid Rasul, Provincial Focal Person Punjab for Population Census and Director General Bureau of Statistics, Punjab, along with other Bureau’s officers attended the workshop. Worthy DG, BoS Punjab shared his valuable views regarding the 7th Population and Housing Census 2022. He appreciated the efforts of Pakistan Bureau of Statistics to hold this important workshop and featuring sensitization of researchers, policy makers, academia and other provincial department representatives at this stage. Moreover, he expressed the organization’s willingness to cooperate with PBS in conducting 7th Population and Housing Census 2022.

TWO DAYS WORKSHOP ON BUILDING NATIONAL CAPACITY IN CHILD LABOUR DATA ANALYSIS-ASIA REGIONAL CHILD LABOUR (ARC) PROJECT

Two Days Workshop on “Building National Capacity in Child Labour Data Analysis-Asia Regional Child Labour (ARC) Project” was conducted at Avari Hotel Lahore from 07.8.2021 to 08.8.2021. The Director General, Bureau of Statistics Punjab, delivered an elaborate presentation on “Building National Capacity in Child Labour Data Analysis”. During the presentation, he shared Journey of Punjab Child Labour Survey (PCLS), Pilot Survey, Sampling Units & Coverage, Safeguarding Protocols, Quality Assurance Mechanism and Challenges faced during the PCLS. He also briefed the participants about SIMPOC Methodology that was used in the survey. He shared the experiences of BoS Punjab in conducting the PCLS and how lessons learned from this experience can be used for implementation of such exercises in other parts of the country.

PROMOTIONS & TRANSFERS

- ♦ **Mr. Muhammad Azhar Saleem**, Statistical Officer (BoS F/O Sargodha) promoted as Assistant Director at BoS F/O, Sargodha on 05th November, 2020.
- ♦ **Mr. Muhammad Asif Yousaf**, Statistical Officer promoted as Assistant Director at BoS H.Q Office, Lahore on 05th November, 2020.
- ♦ **Mr. Muhammad Farooq**, Statistical Officer promoted as Assistant Director at BoS H.Q Office, Lahore on 05th November, 2020.
- ♦ **Mr. Bilal Ahmad**, Statistical Officer (BoS F/O DG Khan) promoted as Assistant Director (BoS F/O DG Khan) on 05th November, 2020.
- ♦ **Mr. Rizwan Farooq**, Statistical Officer (BoS F/O Sargodha) promoted as Assistant Director and transferred to BoS H.Q Office, Lahore on 05th November, 2020.
- ♦ **Mr. Isaac Shahzad**, Statistical Officer promoted as Assistant Director at BoS H.Q Office, Lahore on 05th November, 2020.
- ♦ **Mr. Muhammad Arif Aziz**, Statistical Officer promoted as Assistant Director and transferred to BoS F/O Office Sialkot on 05th November, 2020.
- ♦ **Ms. Sana Gull**, Statistical Officer promoted as Assistant Director at BoS H.Q Office, Lahore on 05th November, 2020.
- ♦ **Mr. Muhammad Ameen**, Statistical Officer (BoS F/O Sahiwal) promoted as Assistant Director (BoS F/O Sahiwal) on 05th November, 2020.
- ♦ **Mr. Muhammad Hussain**, Statistical Assistant (BoS F/O Rawalpindi) promoted as Statistical Officer (BoS F/O Rawalpindi) on 05th November, 2020.
- ♦ **Mr. Mehboob Baig**, Statistical Assistant promoted as Statistical Officer at BoS H.Q Office, Lahore on 05th November, 2020.
- ♦ **Mr. Syed Khalid Mehmood**, Statistical Assistant promoted as Statistical Officer at BoS H.Q Office, Lahore on 05th November, 2020.

RETIREMENTS

- ♦ **Mr. Bilal Ahmad**, Assistant Director (BoS F/O DG Khan) retired on 9th November, 2021.
- ♦ **Mr. Qaiser Iqbal**, Statistical Officer (BoS H/Q Office) retired on 31st August, 2021.
- ♦ **Mr. Saleem Masih**, Sweeper (BoS H/Q Office) retired on 8th September, 2021.
- ♦ **Mr. Muhammad Pervaiz Khan**, Chowkidar (BoS H/Q Office) opted voluntary retirement on 8th November, 2021.

DEVELOPMENT OF ONLINE STATISTICAL SYSTEM IN PUNJAB (OSSP)

A very visionary project titled “Development of Online Statistical System in Punjab (OSSP)” was initiated by Bureau of Statistics (BoS), Punjab, in collaboration with the Punjab Information Technology Board (PITB). The scheme was approved during 08th PDWP meeting, held on 03.09.2021 at a total cost of Rupees 484.848 Million. Key objectives of the scheme are as under:

- ◊ To analyze and identify data sources needed for implementing a government wide Master Data Repository (MDM Framework and BI Tools)
- ◊ To develop a standardized data strategy document for government of the Punjab
- ◊ To implement Master Data Management Framework and Business Intelligence (BI) tools in line with data strategy for government of the Punjab
- ◊ To develop Android Apps and Online Dashboard for key surveys carried out by BoS Punjab, to improve transparency and access to information
- ◊ To build capacity of relevant HR at BoS Punjab, for managing operations of MDM/BI platforms

A strong management structure has been adopted for successful completion of the project and overseeing the activities. Steering Committee (Headed by Chairman, P&D Board), Coordination Committee (Chaired by the Secretary, P&D Board) and Core Team at BoS Punjab has been notified, accordingly. A renowned firm has been procured through PPRA Rules for conducting the first phase of the project and the firm has started its work. Hopefully, this project would prove to be significant contribution towards evidence based policy making in the province.

QURAN KHAWANI AND MEHFIL-E-MILAD

Like Every year, on the eve of the Birth of the Hazrat Muhammad (S.A.W.W) **خاتم النبیین** (النبيين), a spiritual Mehfil-e-Millad was celebrated at Masjid-e-Sirat-e-Mustaqeem of this Bureau on October 21, 2020. DG (BoS) along with all the employees whole heartily participated in this soul full event with full religious devotion and celebrated the day by reciting the Holy Quran and Naat-e-Rasool-e-Maqbool (S.A.W.W). Allama Fida-ul-Mustafa, a religious scholar addressed the audience through paying tribute while expressing the greatness of Prophet Hazrat Muhammad (S.A.W.W) . **خاتم النبیین**)

FAREWELL PARTY OF DR. SYED WASIM ABBAS

Mr. Sajid Rasul, DG BoS along with bureau's officers arranged a farewell party on 20th October, 2021 at PC Hotel, Lahore to acknowledge the services of Dr. Syed Wasim Abbas (Assistant Director) who has been selected as Director at Pakistan Bureau of Statistics, Islamabad. Dr. Syed Wasim Abbas joined Bureau of Statistics, Punjab as Statistical Officer in 2007 and promoted as Assistant Director in 2019. He served this Bureau for more than 14 years and made significant contributions for this Bureau. He actively participated in surveys conducted by BoS, Punjab and always worked diligently for the betterment of this organization.

Publication division of this Bureau also arranged a farewell party on 13th September, 2021 to express gratitude for the remarkable contributions of Dr. Syed Wasim Abbas. He played a vital role in the working of Publication Division. The Publication division work would never have been so admirable without his guidance and vision of service. His exceptional services and innovations in producing Punjab Development Statistics, South Punjab Development Statistics, Statistical Pocket Book of the Punjab, Punjab in Figures and Newsletter will always be admired. Publication division is so grateful to Dr. Wasim for his inspiring leadership and passing on his knowledge, impressive work ethic and positivity to the rest of the Publication division team.

INTERSHIP PROGRAM 2021

Bureau of Statistics, Punjab offers internship to students of different academic institutions (Universities and Colleges) through its internship program each year. The Coordination Division manages this assignment by; receiving applications from intended students, getting approval from Competent Authority, preparation of their schedule and issuance of internship certificates. During the period July, 2021 to December, 2021, 47 students of different academic institutions (Government College University, Lahore, University of the Punjab, Lahore, COMSATS University Islamabad, Lahore Campus, University of Education, Township Campus, Lahore, Lahore College for Women University, Lahore, Government Post Graduate College for Women, Samanabad, Lahore) have successfully completed their internship program.

OUR PUBLICATIONS & REPORTS-2021

PUNJAB DEVELOPMENT STATISTICS 2021

Bureau of Statistics, Punjab has been issuing this publication since 1972. The present edition this year is 47th in the series. It provides important statistics concerning social, economic, and financial sectors of the economy. This publication contains data on almost all sectors of the provincial economy with their breakup by Tehsil, District & Division as far as possible. It includes some national data on important subjects like Major Crops, Foreign Trade, Labour Force & Employment, National Accounts, Population, Price, and Transport, etc. Two additional tables of kidnapping for ransom and water supply, sewerage drainage & water filtration plants have been incorporated in this edition.

SOUTH PUNJAB DEVELOPMENT STATISTICS 2021

Bureau of Statistics, Punjab has been issuing this publication since 2020. This second edition provides important statistics concerning social, economic, and financial sectors of the economy at aggregate as well as sectoral levels. This publication contains data on almost all sectors of the economy with their break-up by Tehsil, District & Division of Southern Punjab, as far as possible. It also includes some national data on important subjects like Major Crops, Foreign Trade, Labour Force & Employment, National Accounts, Population, Price, and Transport, etc.

PUNJAB IN FIGURES 2021

“Punjab in figures” is an annual brochure which provides important statistics in respect of social, economic, administrative and financial aspects of the province. Moreover, it also contains comparative information on Population, Education, Health & Labour Force sectors of Pakistan and Punjab province. Key findings of MICS (2017-18) and some key socio-economic indicators are also included.

PUNJAB AGRICULTURE STATISTICS 2020

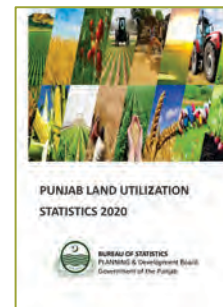

Bureau of Statistics, Punjab started publication of Punjab Agriculture Statistics since 2016-17 aimed at providing area, production of major crops (Both Rabi & Kharif) and year-to-year comparison and analysis. It also contains data about important agriculture inputs i.e. Rainfall, Temperature and Land Use Statistics including the details of un-irrigated and irrigated area by source of irrigation. In order to improve the scope of this publication, information about Area and Production of three additional Rabi Crops (i.e. Maize, Onion and Masoor) have been included in this edition.

OUR PUBLICATIONS & REPORTS-2021

LAND USE STATISTICS (LUS) 2020

Land use statistics (LUS) is bringing out computerized tabulation of Annual Land Use Statistics (Milane-Raqba) since 1987-1988 with the approval of the board of Revenue. The statistics provided in this report give wealth of information to the policy makers and government for assessment of land utilization in agriculture sector. It depicts a good picture of development taking place in agriculture in terms of status of land used utilization, irrigation sources and the area under cultivation. These statistics can be used to monitor the current situation of land utilization and for assessment of trends over past decade, as well.

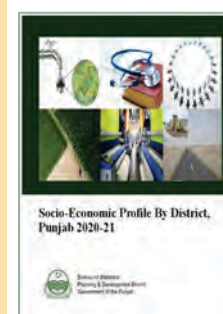

MECHANICAL TABULATION REPORT OF RABI & KHARIF 2020-21

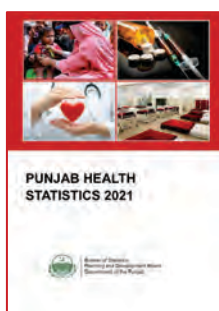

Agriculture Division has been publishing a regular report named Mechanical Tabulation Report (MTR) since 1961-62. Mechanical Tabulation Report is the primary report of Agriculture Division. It mainly includes data regarding Area Sown, Un-Irrigated and irrigated area by source of irrigation and by crop of 149 tehsils, 36 districts, 9 divisions of Punjab. The final estimates of area sown under all crops are based on complete enumeration (Girdawari) of all Mouzas of Punjab carried out by Patwaris of Revenue Department twice a year, for each Kharif and Rabi season. Agriculture Division collects Crop Acreage Statistics (Goshwara Jinswar) through revenue patwaris by using the services of "The Director Land Records".

SOCIOECONOMIC PROFILE BY DISTRICT, PUNJAB 2020-21

The data on socio-economic indicators is essential for better planning to achieve equitable and sustainable human and economic development at provincial/regional level. The Socio-Economic Profile by Districts, Punjab is a key source of data on many vital indicators related to health, education, water & sanitation, agriculture, industry and transport sectors. Coordination Division of this bureau has been preparing this profile since 1999-2000 on annual basis. The data for this profile is extracted from various provincial and national reports and publications of BoS and PBS.

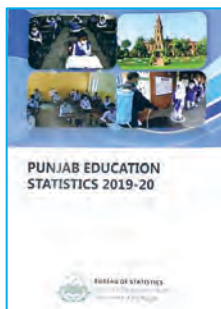

PUNJAB HEALTH STATISTICS 2021

An authentic and up to date Punjab Health Statistics is a pre-requisite for planning, policy making and development in Health Sector. To meet this basic need and to identify areas of health connections; the Education/Health division of this bureau has been preparing and publishing Health Statistics Punjab since 2020. The Punjab Health Statistics 2021 contains detailed information on Health Statistics at the Tehsil/District/Division level regarding number of Health Institutions and their beds' strength, In-door & Out-door patients treated in the Health Institutions as well as number of Registered Medical & Para-Medical Personnel.

OUR PUBLICATIONS & REPORTS-2021

PUNJAB EDUCATION STATISTICS 2019-20

The annual census of educational institutions covers all the Universities, Professional Colleges, Intermediate, Degree & Post Graduate Colleges, Higher Secondary, Punjab Daanish and Govt. Mosques, Primary, Middle and High Schools located in the Punjab. The information relating to number, enrolment and teaching staff is presented at Tehsil/District/Division level. The current report is based on the year 2019-20.

MONTHLY SURVEY OF INDUSTRIAL PRODUCTION & EMPLOYMENT IN THE PUNJAB

C.I.S division of this bureau has been preparing and publishing “Monthly Survey of Industrial Production & Employment in the Punjab” containing current production and employment data of industrial units in aggregates since October 1972. Moreover, with reference period from 1st July, 2021 to 31st December, 2021, C.I.S Division published reports for the month of May 2021 to August 2021 with a lag of 45 days. The report contains statistics regarding 45 important industries, manufacturing about 100 selected items, contributing 72% of the total value added of large-scale manufacturing sector in the province, based on base year 2005-06 and covers around 2041 industrial units from all over the Punjab. Pakistan Bureau of Statistics aims to rebased QIM from 2005-06 to 2015-16 and shared Punjab Frame and Punjab Sample as per CMI 2015-16 with BoS Punjab. After finalizing the questionnaire with joint consultation of BoS Punjab and PBS, CIS Division organized a zoom training session with all field offices Incharge and trained them for new CIS coverage as per Punjab Sample Shared by PBS.

PRICE TEMPLATES

Price division of this bureau prepares one pager retail price templates (one each) for ten essential household use commodities. These templates increase interest and understanding of common person to go through the price trend in the province. These templates show daily, weekly, monthly, fortnightly, yearly and regional comparison of price statistics. These are developed on weekly basis and shared with different concerned departments.

PREPARATION OF PROVINCIAL GROSS DOMESTIC PRODUCT (GDP) 2020-21 ESTIMATES

Gross Domestic Product (GDP) is a major indicator to plan, analyze and monitor progress in the development of an economy. Estimation of GDP at provincial level is pivotal for planning and monitoring of economic development in the province. Bureau of Statistics, Punjab has been preparing provincial GDP estimates of Punjab since 1999-2000, by following System of National Accounts. The GDP estimates for the year 2020-21 were prepared as per regular routine.

OUR MISSION

To develop and harness capable human resource, build a dynamic organization, develop proactive planning & client feedback system, enhance collection, sophistication & integrity of data and increase simplicity & user-friendliness of statistical outputs.

BUREAU OF STATISTICS, PUNJAB

Bureau of Statistics, Punjab is an attached department of the Planning and Development Board, Government of the Punjab. Bureau of Statistics, Punjab is the hub of statistical data activity in the province and is responsible for collection, processing and dissemination of statistical data through periodic publications and electronic media.

OUR VISION

The Bureau of Statistics, Punjab strives to be the leading statistical agency of the province, providing accurate, relevant, timely and user-friendly data whilst ensuring professionalism, transparency and integrity.
