## PREFACE

Statistical Pocket Book of the Punjab is a regular annual publication of Bureau of Statistics. It serves as a handy reference book for important provincial statistics. This publication contains data on almost all sectors of the provincial economy at various administrative levels. It also includes some National data on important subjects like Major Crops, Foreign Trade, Number of Village's Electrified, Labour Force & Employment, National Accounts, Population, Prices and Transport etc.

The present issue of the publication is 45<sup>th</sup> in the series and is up dated as on June 30, 2022. The scope of the publication is being kept under constant review and format of the series is revised in the light of comments of the various stakeholders and line departments so as to enhance the utility of the publication. It is hoped that data given in the booklet will prove to be useful for the Administrators, Planners, Researchers and other users.

The co-operation extended by various Federal and Provincial organizations and the Autonomous bodies in supplying the relevant information is gratefully acknowledged.

Comments and suggestions for improvement of the future issue of this publication will be welcomed.

A handwritten signature in blue ink, appearing to read 'Sajid Rasul'.
